Kathy Jones asked if the budget model with the various rings is still being considered. Sarao said that is still "out there" and that President Dunn does not want to start making any announcements as far as the "rings" are concerned because nobody knows what the budget cut is going to be. Sarao continued by saying that the Constituency Heads meeting was on August 18, 2015. The primary focus of that meeting was about the appointment of the SIUC Interim Chancellor for a two year term.

Charlotte Sarao called for a vote on the approval of search committee names presented by Todd Bryson; unanimous approval by voice vote. Charlotte Sarao added to the CoC report by summarizing a conversation she had with Kevin Bame who oversees the Traffic Appeals Board. Bame requested that the AP Staff Council submit three names to the Traffic Appeals Board and they will chose the representative. After brief discussion it was concluded that the AP CoC would do their best to submit more than one name to the Traffic Appeals Board for consideration. It was noted that it is possible that only one name would be available due to the lack of volunteers. Charlotte Sarao added that she asked Kevin Bame to please submit the request for three names in writing so there is record of the request.

5.5d Constituency Relations
Cristina Pisoni reported that the committee has not met in person, but corresponded via email to finalize the FY16 Goals and Objectives. Matt Sronkoski reported that the committee corresponded via email and updated the Goals and Objectives for FY16. (http://eforms.siu.edu/siuforms/info/hro3000.html) (http://eforms.siu.edu/siuforms/info/hro3010.html)
Sarao explained to Bame that the new language on the AP contracts basically states that an AP Staff member who has to sign a new contract when they are put on term can be terminated immediately and asked what is the intent of this language, was he aware of the ramifications of this language, and what body did this decision come out of. Sarao continued by saying that Bame stated that he had not thought about the outcome of the new language and the decision was made by an Executive Committee which is composed of President Dunn, legal counsel, himself, and others. Sarao noted that Bame would follow up with President Dunn and get back with her. Sarao stated that Bame followed up with her and said that President Dunn had not considered that ramification and does not feel that it is necessary to change the contract at this point because anybody going from continuing to term has to go through the Provost and Chancellor for approval. After brief discussion it was suggested that the AP Council members collaborate to draft a letter for the AP Council Chair to send to President Dunn requesting written clarification of the situation of continuing appointment that gets converted to term.
