5.1 Chair

Kathy Jones reported that the Constituency Heads meeting was on February 4, 2015. Jones stated that President/Acting Chancellor Dunn spoke about the potential change in the reporting lines of the School of Medicine. Jones explained that currently the School of Medicine reports to the Chancellor; the proposed change would have the School of Medicine reporting directly to the President’s Office. Jones continued by saying that the information provided by President/Acting Chancellor Dunn stated that the change in reporting lines would not take away the attribution of grant funding and budget for SIUC; it would only affect the reporting line. Jones also noted that President/Acting Chancellor Dunn is also asking for input on the Board of Trustees (BOT) Strategic Improvement Plan. A working draft of this plan in available on the BOT website (http://www.southernillinois.edu/board-of-trustees/strategic-plan.shtml). Jones continued by saying that during the Constituency Head’s meeting, Dunn stated that on March 19, 2015 the BOT will be asked to vote on the reimbursement of furlough days to AP staff and other non-represented staff. Jones noted that also during this meeting, it was asked if parking stickers and/or payment are now required on all lots on campus after 4:00 p.m. Todd Bryson, AP representative on the Traffic and Parking Committee, commented that he would ask that question at the next Traffic and Parking meeting on February 23, 2015. A brief discussion about parking decals, parking after 4:00 p.m. and parking tickets followed.
