January 18, 2006

A message was sent to the A/P staff constituency to encourage referrals via the A/P List Serve on December 14, 2005.

The application deadline has been extended to February 1, 2006 in order to provide sufficient time for the search firm Korn/Ferry International to seek outstanding candidates. The extension is noted on the SIUC HR website and in the January 6th issue of "The Chronicle of Higher Education" The advertisement in "The Chronicle" indicates that nominations, inquiries, and applications should be submitted to Korn/Ferry, specifically to Allegra Feito.

Committee members will begin reviewing applications immediately after February 1, 2006. Discussion of the candidates will likely be scheduled the week of February 6, 2006.
