

Steve Buhman
A/P Representative to the search committee
For Vice Chancellor for Development and Alumni Relations

On Friday, March 23, the committee met in the Balcony Conference Room for a video conference with the Isaac Miller Search Firm to present the candidates for the position. This was the first meeting of the committee since last fall. Unfortunately, I was out of town for this meeting, but reviewed the material presented after I returned.

Interviews were originally scheduled for April 12th and 13th in St. Louis at the Airport. When one of the candidates dropped out, the interviews (5) were moved to the Holiday Inn in Carbondale.

The committee met with five remaining candidates, three on the 12th and two candidates on the 13th. After the interviews with the candidates and a discussion with the Chancellor, the committee submitted three of the candidates for selection.

On campus interviews for the campus and community are in the planning stages and should be announced for early May, depending on the availability of the three candidates.

Thank you,

Steve
