Re: Fiscal Year 2011 Activity Report

---

Professor Michelle Miller, former director, left the university before the beginning of the fall semester. The search for a new coordinator of UWPA will be conducted soon. Also, Vi Russell, UWPA Administrative Assistant, retired from SIUC during the fall semester.

UWPA's only staff person is a graduate assistant. The Advisory Council meetings have been presided over by Dr. Linda McCabe Smith, Associate Chancellor for Institutional Diversity.

UWPA's programs and/or activities consisted of the following: 1) Research, Scholarly & Creative Activity Awards; 2) Travel Assistance; 3) University Women of Distinction; 4) Celebrate Women; and 5) Women's Leadership Series: INWHE Conference. The Civil Service Women's Luncheon is scheduled for June, 2011. A more detailed list of activities and number of attendees is attached.
