Report submitted by Deborah Case

November 21, 2012

The Honorary Degree and Distinguished Service Award Committee met November 12, 2012 to consider nominations for awards.

Professor Matt R. Whiles, chair of the committee, chaired the meeting. A total of five (5) nominees were presented to the committee. Committee members discussed each candidate's nomination and corresponding qualifications to receive an award.

The committee recommended candidates for the SIUC Honorary Degree Award and for the SIUC Distinguished Award to Chancellor Cheng. These candidates remain anonymous until a decision is made by the Chancellor. Following the Chancellor's decision a resolution will be prepared for the Board of Trustees who will then vote on the resolution.
