B. Board of Trustees – Thursday, September 16, 2021 – T. Bryson sent link and agenda to council members.
C. Human Resources – R. Colombo reminded everyone to complete your attestation form and thanked W. Clark for his help. Colombo noted that testing and vaccinations clinics are located at Grinnell Hall. L. Morgan asked about receiving testing results and R. Colombo reported the results go to the employee and HR only receives if an employee went to test for compliance reasons. T. Workman asked about the lag time in notification in reporting attestation and testing. R. Colombo reported a lag time in attestation for verification but receives and distributes a report every morning. Colombo reported they are still working on the mechanisms for the testing list but so far, the list
lets supervisors know what employees will be leaving to test. Colombo added that a noncompliance list has not gone out yet and should have more information about flu vaccines next meeting.
